## Oklahoma District Export Council

Exporting creates wealth by transferring it from other countries, which greatly benefits economic well-being. Export-related wealth creation activities have enlarged the availability of jobs and the wealth base of Oklahoma and its citizens.

**We welcome your interest in promoting exports from our great state!**

# About Us

- We are volunteer group of exporters and service providers who are appointed by the U.S. Secretary of Commerce to provide support and education to new and existing exporters in the State of Oklahoma.
- Our goal is to centralize resources and reduce knowledge barriers for Oklahoma entrepreneurs with an eye on growing their global business. For the last 42 years, we have hosted the Oklahoma World Trade Conference, providing valuable up-to-date information and training for Exporters.
- In addition, the DEC brings together representatives from the Small Business Administration, Oklahoma Manufacturing Alliance, EXIM Bank, and other governmental agencies that can offer guidance on moving forward with intelligent exporting.
